ILLUMINATED SIGN

Robert M. Chenault, P.O. Box 6340, Fort Worth, Tex.,
assignor of one-half to Robert Bruce Wilson, Fort
Worth, Tex.

Filed Feb. 11, 1963, Ser. No. 73,496

Term of patent 14 years
(Cl. D1—12)

The figure is a perspective view taken from one side of an illuminated sign embodying my new design.

The undisclosed side is the same as the side shown. The conventional light bulbs are arranged symmetrically in relationship to the conical-shaped arms.

I claim:

The ornamental design for an illuminated sign, as shown and described.
